Office Policy

Effective: September 1, 2010

Subject: No Food Allowed in the Office

In order to eliminate severe food allergy reactions and to better comply with patient safety requirements and equipment maintenance plans, patients (and their caregivers) will no longer be allowed to consume food or beverages in the St. Louis Pediatric Associates' ("SLPA") office, including lobby and exam rooms. Any food or beverage in the patients' (or caregivers') possession should remain closed and stored until they leave the office. Any food or beverage that cannot be closed and stored should be disposed of prior to entering the SLPA office.

Thank you for helping us to continue to provide a safe environment for the all of the patients of the St. Louis Pediatric Associates. If you have any questions, please ask to speak to the Administrator.
