

Medical Disclaimer Concerning Site Contents

The information contained in this online site is intended to provide accurate and helpful health information for our patients. It is only made available for this purpose, but should not be considered complete or as a substitute for medical advice. This information does not cover all diseases, ailments, physical conditions or their treatment. The information is not intended as medical advice for individual problems or for making an evaluation as to the risks and benefits of taking a particular drug.

It does not take the place of a call or visit to our physicians and the information provided by your health care provider. Your health care decisions should be made only after consulting with a qualified physician.

St. Louis Pediatric Associates, Inc. specifically disclaims all responsibility for any liability, loss or risk, personal or otherwise, which is incurred as a consequence, directly or indirectly, of the use and application of any of the material on this site.
